Our 2018 concert season opens with some of **MENDELSSOHN's** best sacred choral music. His **PSALM 42** features a great wealth of forms and styles, and he considered it "*my best sacred piece*". The monumental **PSALM 114**, set for 8-part choir, is certainly one of his most impressive works. **NICOLAI's** large **TE DEUM**, notable for its expressive music and orchestral colour, completes this concert.
